Scottish Regional Lunch
September 2017
Dear Ladies

I hope that 2018 is a happy and successful one for you and your club.

Congratulations and welcome to new members. Those who, after Circle, or transferring to a new part of the country, or having just discovered our Association, are sharing in the ‘continuing fun and friendship’ by having either joined their local Tangent club or are thinking of forming a brand new one.

You will see that the Hunny (Hunstanton 616) girls (above) re-launched their club in fine style, and that the York (Tangle 956) girls (below) celebrated their charter in the elegant setting of Middlethorpe Hall.

There have been wonderful celebrations too for those long-established clubs of 40 and 50 years, which I have been privileged to attend. It is a delight for me to meet so many of you, share your friendship, and learn about your club.

It is always pleasing too, to hear of the examples of the 4 Club Family joining together for social and fund-raising events, and how enjoyable, successful and satisfying they are for everyone involved. What an honour it was for me to take part in the Remembrance Parade together with representatives of other members of our special organisations.

Meanwhile, there are many special events planned for the remainder of my year as President. Looking forward to seeing some of you soon!

Melodie x
Hello fellow Tangent members! You may remember me from a few years back when I was your first National Editor and Website Co-ordinator for three years and then Sales and Regalia Officer for two years until 2016.

I am a member of Northwich Tangent 426 and Dragons 942, and enjoy the fellowship and friendship that being a member of our wonderful organisation offers. The photographs show me on the footplate of a steam loco at Keighley and Worth Valley when we visited during the Classic Rally in June last year.

I am married to Ray, who is the 41 Club Honorary Webmaster, and was previously their Communications Officer for five years. We were both members of the organising committees for the Llandudno and Blackpool conferences, and although it was hard work, we also had a lot of fun and fellowship along the way. As you can see it has been pretty full on in our house with Round Table Family activities over the past few years.

We have three grown up children, all left the nest and with our wonderful organisation offers. The photograph shows me with no nominees coming forward for the AGM in April

Meet Dundee Tangent 290

We have had a busy year under my Chairmanship. In April 2017 four of us travelled to a RT World30 numbers meeting hosted by RT George 30 in South Africa. I was newly with jewel and it came with me! We spread the word about Tangent to the ladies present as many of them had not heard about it before. We were pleased to meet up with the Swedish and Danish Tangent Ladies including TCI Secretary, Jeanett Korch from Hillerod 30 (Denmark).

We are a very active family of clubs in RTWorld30 and thoroughly enjoy our international networking. We had the pleasure of welcoming Morag Daley from the Exec to our first meeting in September where I spoke about our ‘Tangent on Tour’ trip to our members.

Our Ladies Circle folded some 20 years ago but we have recently recruited a couple of Tablers’ wives into our ranks (one of whom was in S. Africa with the tour). Our membership of 31 provides regular meetings with 20-25 in attendance. Judy Goodfellow

Amersham Tangent 679

At a recent meeting our Chairman, Pauline Hohenberg, handed over a cheque amounting to £600 to Jo Woolf, Chief Executive of Butterfly House, The South Bucks Community Hospice. This was 50% of the proceeds raised at our Friendship Evening.

Our National President, Melodie, was also at the meeting and she presented Pauline with one of her presidential umbrellas.

New Milton Tangent 120

New Milton Tangent Club 120 celebrated their 50th Anniversary on 17 October 2017. A Luncheon was held and attended by 90 members among which a number from local Tangent Clubs. Guests of Honour were founder member Bunty Wheat (formally Stone) and National President Melodie Brooks.

Chairman Janette Dowgierd welcomed all. Ann Prestidge, a Founder Member, gave a talk on how the Club came about and its activities over the past 50 years. A raffle was held and its proceeds has gone to the local Charity Honeypot which gives respite care to young carers aged 6-12 in the New Forest.

Member Tess Ackling had made a photo montage of the ladies present as many of them had not heard about it before. We were pleased to meet up with the Swedish and Danish Tangent Ladies including TCI Secretary, Jeanett Korch from Hillerod 30 (Denmark).

Hutton & Shenfield 666

Our Chairman, Maureen Carrey, took part in the Moon Walk through London on the night of 13/14th May, in aid of Breast Cancer. She completed the 15.1 miles in 6 hours, and raised in excess of £1000.00. Maureen was not going to be left out, and along with the other 15,000 participants she wore her decorated bra with pride. The photograph is of Maureen in her finery, modelled for us at a recent BBQ. Needless to say we are very proud of her achievement.

If I would like to apologise to Maureen and all the ladies of Hutton and Shenfield for this article and photograph not appearing in the last edition of the Tangent News as promised – Editor.

Teignmouth Tangent 727

HEARTBEAT-TEIGNMOUTH - an organisation whose aim is to provide defibrillators around local communities. Units are located outside, in weather-proof casings, so that residents and visitors alike have access to them 24/7.

Teignmouth Tangent ladies had enjoyed an evening of instruction on how to operate a defibrillator in case of emergency, and thereafter decided it was such a worthwhile charity, that the Club would donate £500, part of the proceeds of our annual Christmas Bazaar.

The photo shows Tangent members, some of whom are wearing the ‘Heartbeat’ t-shirts, outside the Teign Heritage Centre (our local museum), when the defibrillator was unveiled by the Heartbeat Chairman and founder member Shirley Brokenshaw, together with the Mayor.

Northampton Nene Tangent 519

For our November 2017 meeting we decided to bring out our creative side - in time for Christmas. We held a candle making evening and all we had to take was a jar fit for purpose. Our speaker demonstrated the wax melting and how to secure the wick in the jar. Then it was our turn. We could upscale the candles with perfumes and flowers - our finished products were something wonderful to behold (!!!). We finished the evening with coffee and cake.

Southend Tangent 5 hold a Charity Fashion Show

Southend Tangent No. 5 chairman Jean Jacoby decided to hold a Charity Fashion Show in aid of the local Age Concern Charity, it was held on Wednesday 20th September and it was an evening packed with good fashion, lots of laughs and much fun. The clothes were supplied by Evie Blue a local clothes shop. Some of the Southend Tangent ladies modelled the clothes. We also held a raffle on the night which raised £332 pounds as all of the lovely prizes were very kindly donated by local shops and businesses, arranged by Ruth Sage. In total we raised £800 for the local Age Concern who were very grateful for the effort that we put into the evening.

Basingstoke Tangent 312

It’s a dog’s life!

23 members of Basingstoke Tangent Club 312 met on 10 October for our monthly meeting. We had the usual wonderful home cooked meal followed by an excellent speaker talking about the old Basingstoke Workhouse. Sounds a rather sombre subject ------ well, yes it was, but it was also absolutely fascinating - it makes you very grateful to be alive now with our NHS and other support services. We also discovered that the private Hampshire Clinic is built on the footprint of the old Workhouse - how things change!

I said that we had 23 members attending - but as you will see from the photo -- we had an extra, unexpected guest, who seemed to enjoy the evening too!

Let’s Twist Again!

Two Ruths!

Two lovely ladies enjoying the sunshine after a wonderful SW Regional Lunch hosted by Exeter Tangent.
**Hartlepool Tangent**

Hartlepool Tangent had a date with Santa on Sunday 3rd December. A wonderful afternoon, with excellent food, service and most of all friendship. We were treat to a medley of Christmas carols from a local brass band and Santa made a fleeting visit (maybe too many ladies frightened him!). One of our newest members, Jane Lawson, joined us from York which meant we also had a reunion of four Ladies Circle Area One past Chairmen. We also welcomed Judi Steen, from Angels of the North, who travelled from Newcastle to meet up with the Hartlepool ladies (a friendship forged at a Northern Regional Lunch). Who could have wished for a better start to the Christmas season. Great friendship and celebration all round.

**Macclesfield’s 50th Anniversary Afternoon Tea**

In July last year Macclesfield happily celebrated their 50th Anniversary. Chairman Jill Jones welcomed members, and many past members who are unable to attend our meetings any more but were able to join us for afternoon tea, at Sutton Hall near Macclesfield. Founder Chairman Margaret Taylor, who at 91 still regularly attends meetings, lit the Candles of Friendship which was then followed by an enjoyable afternoon tea together with a glass of Pimms to toast such a special celebration.

Margaret (left) together with Founder Vice Chairman and good friend Hilda Allen cut the beautiful anniversary cake.

**Christchurch Tangent**

Christchurch Tangent Chairman, Jane Skinner welcomed National President, Melodie Brookes to celebrate our 90th Charter at The Captains Club, Christchurch.

73 ladies including many of our friends from local Tangent Clubs enjoyed a delicious lunch followed by speeches from Melodie, Jane and our Founder Chairman, Sue Farewell seen below cutting the cake. Sue entertained us with the following rhyme which she wrote reflecting her memories of Tangent.

*Today we come together,*  
*To celebrate forty years,*  
*The laughter, fun and company,*  
*And just the few odd tears.*  

*We were formed in ’77,*  
*The Queen’s Silver Jubilee,*  
*Red Rum won the National,*  
*A very fast gee-gee!*

*We first did gather in Jean Hewitt’s house,*  
*In the pleasant village of Wick.*  
*We planned meetings, events & gatherings*  
*And our diaries filled real quick!*  

*We knew how to have a good time,*  
*Over 40’s no big deal.*  
*Age is just a number,*  
*And by no means ‘over the hill’!*

*Visits to the theatre,*  
*To gardens, shows & pubs,*  
*Meeting up with friends,*  
*In other Tangent clubs.*

**Leicester de Montfort Tangent 15**

On December 8th Leicester de Montfort tangen 15 had our Christmas party and invited LDM circle to celebrate with us side by side.

We had a cocktail masterclass before our meal which was the best fun and had a great turnout of 18 women!

We got into pairs and made a cocktail of our choice (under supervision of the staff of Revolutions de Cuba) and then we were put into teams of two and played games of pass the Christmas hats overhead and through our legs which we were put into two teams and had to see who was the fastest team.

We watched quite a few cocktails being made and we were able to sample them too!

**Newton Abbot Tangent, Cluster Beetle Drive**

46 ladies from Newton Abbot, Teignmouth, Totnes, Torbay and Exeter, attended a beetle drive cluster evening at Teignmouth Corinthian Yacht Club on Thursday 19th October organised by Dawn Gray, Margaret Coish and Margaret Nuttall, all of Newton Abbot Tangent, with Margaret’s husband, Reg Nuttall and Dawn’s husband, Ian, kindly running the bar.

It was a really fun evening, including a great buffet supper, and so lovely to see familiar faces and meet new ladies. Thanks to Dawn Gray and Margaret Coish for their hard work in making this a wonderful social gathering.

**Inverness Highland Tangent**

Our December meeting was held in the Craigmonie Hotel, Inverness where 21 members enjoyed a lovely Christmas meal.

Our guests for the evening Hilary (drums), Shena (piano) and David (guitar) provided the entertainment. They were accompanied by our members playing various other instruments.

After the meal we had fun playing Christmas ‘pass the parcel’ and singing Christmas carols.

At the end of the evening we had a surprise visit from Santa who came with presents for us all.
Keeping girls in school

Training the trainers in Malawi

Here, many girls in rural villages have no access to sanitary wear and so they often drop out of school or have irregular attendance. Without literacy and numeracy girls’ prospects are bleak. Washable sanitary pads can help them stay in school.

Months prior to our trip we were busy collecting donated electric and hand sewing machines, fabrics, scissors and sewing notions, all of which left the UK in January and were transported by container to Malawi. Then, as if by magic, it was all there for us when we arrived, including boxes of knickers as about 25% of girls have no underwear to hold pads in place!

Over two weeks we trained 37 ladies – some bringing their babies along. They were recruited to and from school, and unobtrusive drying by our local contacts to make pads, bags to carry them to and from school, and unobtrusive drying cases so that they can be dried in the sun. Many granddaughters and girls in their communities’ schools.

Sounds easy? In some ways it was, because the enthusiasm and determination were infectious, and some of the ladies who had never used a machine amazed us by how quickly they learned.

In some ways it wasn’t. Our major challenges were helping ladies who had never used scissors or drawn round templates, and getting robust hand sewing machines, like the old Singer ones, for places where there is no electricity – you just can’t buy them any longer.

We return with memories of laughter, determination and a drive to do more. If your Tangent would like to help by donating sewing machines, scissors, sewing notions, fabric, knickers, or knitting needles and wool - please email Joy Yates joyyates2you@gmail.com.

The project is run under the auspices of the National Police Aid Convoys charity.

PNO Reunion

The last weekend of September saw 12 past national officers, many accompanied by husbands/partners, gathered together at the Historic Dower House Hotel in Knaresborough, for a few days of fun and friendship. After a stroll to the Castle with its spectacular views, we certainly had good appetites for our lovely dinner.

Fortunately, the weather held for us. On Saturday morning we were welcomed by the Town Crier. From him we learnt a bit more of the colourful history of the town - he certainly had a way with words! At 12 noon he performed again in front of an assembled crowd, including the local MP, mayors of the Borough and the town for the unveiling of a statue of Mother Shipton, the famous 17th Century soothsayer.

There was plenty to occupy us for the rest of the afternoon within the town. After having caught up on news the previous night we entertained ourselves with a quiz after dinner – with Lesley Seville as the victor and Viv Foster coming a close second. Well done to you both!

Morning came too soon, and after a hearty Yorkshire breakfast, it was alas, time for farewells, with lots of promises to meet up again next year.

Tangent Club of Stranraer

Almost forty years ago I attended the 10th Anniversary Dinner of the Ladies’ Circle Club of Stranraer and was seated beside an honoured guest, a founder member of the club now retired.

She explained that many of the founder members met on a regular basis calling themselves ‘The Twilight Club’. She felt this name sounded as though they were after a meal with an interesting after dinner speaker. Sadly numbers have fallen in recent times.

We return with memories of laughter, determination and a drive to do more. If your Tangent would like to help by donating sewing machines, scissors, sewing notions, fabric, knickers, or knitting needles and wool - please email Joy Yates joyyates2you@gmail.com.

South West Area Luncheon Saturday September 23rd 2017

Ladies of Exeter 421 have spent the last 2 years planning our area luncheon so you can imagine how pleased they were when on the day everything went smoothly and all our guests were telling us afterwards what a lovely day they had enjoyed. The food was wonderful and the speaker fantastic.

Our weekend started with the committee and members of the executive enjoying supper at Sandra Redwood’s home (after the Exec Meeting). This was a lovely way to meet and get to know each other before the lunch.

The venue was the Langstone Cliff Hotel and we thank Louise and her staff for the way the dining room was prepared and the efficient way the staff took our meal orders, served us hot delicious food and took excellent care of us.

Lunch took the usual form with all the usual speeches until it was time to listen to our speaker, Elizabeth Cook, one of only 2 court artists in the country. You will have seen her work in the papers and on TV. She is allowed to take notes and stare at the defendants, which she does.

She then leaves the courtroom and does her drawing, taking about 20 minutes per face. She was pleased that we could all recognise who was in her pictures.

Apparently when she drew Elton John and the Spice Girls they bought every picture from her so none could ever see them. She finished off with a basic skeleton face which she then started as a man in his 20s and finished off with him in his 70’s.

We also thank Robin and Jane Jones for taking lots of photographs for us.

Our charities were Children’s Hospice South West and Exeter Hospice Care it was reported that they have done very well with lots of money being made through the raffle. Thank you ladies for buying the tickets.

We were so pleased that Redruth have taken the challenge to organise next years lunch. Plans are already being made to organise next years lunch. Plans are already being made.

Jill’s visit to Brazil

This is the Round Table family at its very best. I never thought I would be sitting on a plane on my way to Rio without Vaughan. What a long way I have come since September 2014! I may be travelling on my own but I am never alone as there are 5 other members of our RT family on board the plane, two of whom I have not yet met but who by the end of the trip will be friends.

Who would have thought I would be privileged enough to be invited to go with 41 club members on a trip of a lifetime to Brazil

Rio was fantastic with great weather. I went for a swim in copocobana beach it’s wasn’t the warmest but wow what a view up to Christ the Redeemer.

We had a great day with a weather to match when we went up to Christ the Redeemer and sugar loaf Mountain. We heard you could take a helicopter round both sites so that’s what we did and it was amazing.

We visited the inner city rain forest which I never knew existed and finished our trip with a visit to a samba school and my can they dance and play even when only 8 years old. They are so good that the police and all the parents came down to watch them.

We also visited the inner city rain forest which I never knew existed and finished our trip with a visit to a samba school and my can they dance and play even when only 8 years old. They are so good that the police and all the parents came down to watch them.

We had a very interesting city tour and evening show of local dancing, completely different to the samba including African dancing.

An early start the next day and you would be proud of me as I was the only one from GB that walked the 128 steps up to the local church which had stunning views over the bay!!

I was lucky to visit the Icaobugs falls one of the new wonders of the world and in my view one of the most awe inspiring places I have been to. I have never seen so many waterfalls all together. Some of the foolhardily ones and you can guess that included me decided to go on a boat trip through a waterfall, yes straight through. I went and bought a cover for my camera and went for it. Not some thing you do every day but an experience well worth doing.

Then onto San Polo for the charter of the First 41 club in Brazil

The 41 club members took us round a small section of the city the next morning and we went into a fantastic church and monastery and saw the major sites or as much as we could see in a day.

Back to the hotel and quick round around for the evening held at a members house. Englebert, President of 41 Club International explained to the club their responsibilities as a member of 41 club and chartered the club. After the 41 club members present welcomed them I was fortunate enough to welcome them into the 4 club family on behalf of both TCI and Tangent GB - as well as encouraging the formation of new Tangent Clubs!!

What an experience! When Vaughan joined Round Table in the early 80’s neither of us knew where it would lead us!

20th Charter celebrations as Costa del Sol looks forward to hosting the 2018 Iberian Cluster meeting.

Costa del Sol 41 & Tangent Clubs celebrated their 20th Charters with fine wine, dining, and dancing, at El Olivo’s, in La Cala de Mijas.

The Clubs’ Chairmen, Enid and Hartley Southerby-Smith were joined by Founder Chairmen, Julie and Richard Wood and National Presidents Melodie Bresekes and Dave Campbell.

The evening started with a welcome from Chairman Hartley and Past Chairman and Past RTBI National President Gareth George was asked to give Grace.

Fine speeches were delivered by the Founder Chairmen and National Presidents who presented Julie and Richard with Founder Chairman Jewels.

Enid and Hartley also responded, presenting gifts to Melodie and Dave and in doing so insisted that they should renew friendships next year at the Iberian Cluster in Puerto Banus,... a weekend of what should be great fun and exceptional value hosted by Costa Del Sol 41 and Tangent at the excellent 5 Star Guadalpin Hotel, Puerto Banus.

**All aboard for the Tangent and 41 Club cruise!**

Booking onto the 2018 Tangent and 41 Club cruise brought back memories of last year’s voyage, and we are so looking forward to a repeat of all the fun and fellowship that we enjoyed on the first ever Club cruise.

Sunday 13th August 2017 saw 16 41 Club and Tangent members embark on the good ship Braemar at Southampton to set sail for the Belgian and Dutch Waterways.

The first evening we met, caught up with old friends and got to know new ones. That evening was Captain Jozo Glavic’s Welcome on board party, and it established the routine of the group meeting for a G&T (or two) before dinner that endured for the seven nights of the cruise.

The next day dawned bright and sunny with a few clouds as we sailed towards Antwerp. We were overtaken in Antwerp and enjoyed looking around the city in the morning despite the pouring rain. We met up with two Past Presidents of 41 Club Belgium and their partners. That evening we sailed on to Ghent, traveling along the Terneuzen canal. This was a first for Fred Olsen, as very few ocean going ships can navigate this waterway.

Arriving later at night in the historic city of Ghent, we were benthed overnight. If you have not visited Ghent I can really recommend it, the beautiful and historic buildings and quaint little streets are very attractive.

Braemar arrived on the Thursday morning in Rotterdam, and again we spent time exploring ashore and seeing what this interesting city had to offer. We met up with some local 41ers and Tangent/Circle members for a beer and some delicious local snacks.

We sailed overnight for our final port of call, Amsterdam. The weather smiled on us as we embarked on canal trips and walks around the busy and historic city.

Saturday 19th August was our last full day, and we spent it at sea. Our final dinner was sad as the end of any holiday is, but we still managed to enjoy the food and wine to the full! There were many promises to meet up and do it again in 2018!

So the 2018 cruise has been arranged! All Tangent and 41 Club members are most welcome to join the group sailing on Black Watch from Liverpool on 8th August. This time we are going for nine nights to the Norwegian fjords and the Shetland Islands. Because the clubs have an affinity deal with Fred Olsen there is a 10% discount, £50 per person on board spend and a group welcome drinks party. If you are interested go on-line to fredolsen.co.uk and look at cruise W1817.

Don’t forget if you want to book you need to ring Sue Hill, Northwich Tangent.

**NATC 50th Anniversary Lunch**

**Venue tbc**

Well time is marching on and preparations are underway for the 50th anniversary celebratory event in 2020. A small committee has started to work on this exciting event and ask that you save Saturday 12 September 2020 in your diaries. We are looking at some venues and at the moment the two preferred options are either in Birmingham or London.

There is a lunch email address so if you have any questions please do send us a note to: tangent50th@gmail.com

We will be setting up a page on Facebook so will keep the clubs up to date on what is going on, but please bear with us, it is early days, and we want to ensure we have something to say – a fine balance between enough information and an empty page!

We do have a request of our members though…. Does anyone have expertise in graphics? We have a great idea for a logo for the event that needs to be developed and then turned into an image for use on publicity materials, letterhead etc. Please contact us via the email address above – and of course full acknowledgement for the support and contribution to the lunch will be attributed.

So watch your out in your mailings, magazine and in social media for any updates and of course we would love to hear from you if you have any ideas or historical information you as our members will feel help to make this a special and memorable event.

Louise Saclier (Chair); Committee members: Jenny Bevan, Morag Badenoch, Melodie Brooks, Pauline Campbell (treasurer), Morag Daley, Sue Eyre (secretary), Paula Farnfield, Sue Marlow, Glynis Sutton, Penny Toun.

**Mendip 874, 20th Charter Evening**

On January 18th 2018 nine members of Mendip Tangent with partners and friends gathered together with National President Mickie, and National Treasurer, Ruth (a member of Mendip Tangent), at The Oakhouse in Axbridge, to celebrate 20 years of Mendip Tangent. Joining in the celebration was the chairman and the secretary of Weston-super-Mare Tangent, our close friends and supporters in all things Tangent.

Mendip is a young Tangent as the original Tangent had already disaffiliated. The remaining members of the Circle decided not to lose the connection and reaffiliated in 1998. We have been together supporting each other through the good times and the bad since then.

**REGARDING OBITUARIES…**

Did you know that we record the names of members who have recently died in the magazine, but you can also send a longer, written obituary for going on the Tangent website? Your club can celebrate your member’s life, through your words and photos if you wish. Please send anything you wish to be included to the Editor.
